**ALGO_NFT**

## OVERVIEW

The Algo_NFT will help bring Degen (users that truly believe in crypto projects) to Algorand using NFTs to attend and have more knowledge about Algorand and its ecosystem.

**GOAL**

Algo_NFT is a community in which members of Algorand ecosystem,lovers of crypto,lovers of art and  everyone who is open to learn about Algorand can have access to Algorand workshops and events, teaching them about the Algorand ecosystem

Each workshop and events being completed by community members comes with a NFT as prices for attending and completing an event. The NFTs come in rank ranging from amateur to the highest rank, so as many events you attend the higher you rank in the leaderboard and the more NFTs you own.

According to the leaderboard, a SWAG box will be given to the members who complete the number of events for the month and attain highest in the leaderboard. This SWAG box will be used as rewards for participating.

**WHAT CHANNELS WILL BE USED**

Channels to be used are zoom,youtube,google meet, and will be used for workshops and events.

Discords,e-mail can be used for questions and interaction between community members, mentors for interaction and questioning.

**WHAT'S THE MESSAGE THAT WANTS TO BE SENT OUT**

To reach out to people on the importance of crypto and how it can be used in our day-to-day life. Help crypto lovers ascertain all they need to know to grow in the algorand ecosystem and as blockchain developers. Give leverage for web3 lovers, developers to communicate, grow and build.

**HOW WILL YOU MEASURE SUCCESS**

After events and workshops, the success will be noted through the number of participants that started and the number of members that are now in the ecosystem from the workshops and events.

Algo_NFT can be used by beginner developers to learn step by step tutorials about Algorand and earn a cool SWAG box. It can also help in advertising to people about the Algorand community.
